

CMS产品业务范围(销售组织)查询及同步

1.进入主数据 产品主数据输入产品编码查询(注意筛选的产品品牌为当前产品的品牌,默认为韩束)

The screenshot shows the 'Product Main Data Management' page. At the top, there are search fields for 'Product Code' (10123860), 'Product Name', 'Product Series', 'Sales Organization' (set to 'Please Select'), and 'Barcode'. Below the search bar are buttons for 'Search', 'Reset', 'Sync by Date', 'Add', 'Edit', 'Delete', 'Import', and 'Export'. A note says 'Default selected brand query'. The main area displays a table with columns: Product Code, Product Name, Brand Description, Measurement Unit, Capacity, Packaging Specification, Product Series, Series Description, Barcode, and Operation. One row is shown with the product code 10123860, brand HanChu (韩束), and barcode 6931395.

2.点击产品编码查看产品的业务范围

This screenshot shows the same 'Product Main Data Management' page, but the product code 10123860 is selected in the list. A large modal window titled 'Product Details' is open, showing a table of sales organizations. The table has columns: Sales Organization, Sales Organization Name, Distribution Channel, Is Shippable, Is Specialized, and指定分销连状态 (Specified Distribution Chain Status). The table lists various entities like 'Chicmax Company', 'Chicmax E-commerce', 'Chicmax Online', etc., with some being marked as 'Is Shippable' (Yes or No).

3.点击同步数据可同步本产品的信息

This screenshot shows the 'Product Main Data Management' page again. The product code 10123860 is selected. A note at the top says 'Default selected brand query'. The main table shows a single row for the product. In the bottom right corner of the table, there is a red box highlighting the 'Sync Data' button.
