

## WMS库存查询 1.确认所查询的物料所在的仓,如奉贤-成品仓、奉贤-物料仓、奉贤-返工仓

The screenshot shows the 'Inventory' module of the WMS system. The left sidebar has a 'Warehouses' section highlighted in blue. The main area displays a search form with fields for 'Goods ID', 'Location', 'Owner', and 'Pallet Number'. A dropdown menu for 'Warehouse' is open, showing options like 'FengXian-Product Warehouse', 'ShanghaiMeiMaterialWarehouse', 'ShanghaiSuzhouProductWarehouse', and 'ShanghaiSuzhouMaterialWarehouse'. The status bar at the bottom right shows '库存数量: 0'.

## 2.库存查询,可以根据货品、货位、货品名称、库存状态、托盘号查询

The screenshot shows the 'Inventory' module with a search result for 'Goods ID: 91010668'. The results table has columns: #, Location, Goods, Goods Name, Batch Number, 在库数量 (Inventory Quantity), 移入数量 (Transfer Quantity), 分配数量 (Allocation Quantity), 冻结数量 (Frozen Quantity), 库存状态 (Storage Status), 生产日期 (Production Date), 失效日期 (Expiry Date), 入库日期 (Arrival Date), 托盘 (Pallet), 区域 (Region), 货主 (Owner). The results show four entries, each with a checked checkbox in the first column.
